

MARKET

A stylized illustration of a market building. At the top, a green rectangular sign with the word 'MARKET' in white, uppercase, sans-serif font is mounted on two brown posts. Below the sign is a dark gray horizontal band. The main building is a light yellow rectangle. It features two rows of teal-colored rectangular windows. The top row has four windows. The bottom row has four windows, but the second, third, and fourth windows from the left are partially covered by a green and white striped awning. The awning has a series of rounded, overlapping segments. At the base of the building, there are several brown rectangular blocks of varying sizes, suggesting a sidewalk or steps leading to the entrance.
